

## Greetings!

- Category:** Application
- Goal:** To reinforce all Styles are needed and valuable. This translates Into better communication & respect amongst 2 people.
- Materials:** Notepad, pen.
- Preparation:** Assessments completed prior to the session.  
Individuals know what their High Natural Style is.  
Have colored dots on nametags according to style.
- Grouping:** Individuals pair up with someone with different colored dots.
- Timing:** 20 Minutes.  
10 Minutes paired, individuals interview one another.  
10 Minutes to do multiple introductions.
- Assignment:** Each person interviews their partner. First, simple exchange of name and area of expertise. Ask them what was best vacation and why.
- Debrief:** If small group, have each person introduce their partner. If large group, 15 or more, have each pair connect with another pair and do simple introductions. Participants will meet others as seminar unfolds with other learning activities.
